Company Profile

WHOLESALE FENCING SA

Our DNA

Wholesale Fencing SA strives to put our customers at the centre of all our business activities. Entrenched in our DNA is the belief in building long and lasting relationships with our customers by providing the best quality, service and advice.

At WFSA we offer solutions which will ensure that the security threat at the identified areas of interest is mitigated, using an appropriate Physical Perimeter Barrier, integrated into Early Warning Perimeter Intruder Detection.

We specialise in the manufacturing, supply, design, and installation of turnkey perimeter security fencing solutions for all sectors of the market.

WFSA is based in Gauteng, Free State & Western Cape with representation in Africa.

WFSA is your one stop shop for all your security fencing requirements. We offer a range of affordable and high-quality fencing products including early warning detection systems.

Projects

& product specialists

At WFSA, we excel in delivering tailored fencing solutions, combining expert project management with a premium range of products. From concept to completion, we ensure durability, security, and efficiency across diverse sectors, including infrastructure, industrial, and agricultural projects.

Our expertise and commitment to quality make us the trusted choice for reliable, long-lasting solutions.
